Maximum number of performers 24 - Dance piece no longer than 4 minutes.

After discussions with the Hawth, we may trial different ticket purchase options this year due to Hawth Box Office capacity.

Please **HIGHLIGHT** which option you would prefer:

Same as previous years, parents/schools are provided with codes that limit ticket sales to 2 per dancer for the first month of ticket sales, parents/guardians then must call the Hawth Box to use codes and purchase their tickets.

or

Schools can call the The Hawth to purchase their total number of ticket allowances (2 per dancer) and can then distribute/sell these to guardians/parents themselves. This will also allow schools to put in place a pricing structure for tickets that can support pupil premium families. Please note, with this option schools will have to **purchase** their **total amount** of tickets from the Hawth before selling them to any parents, this will be at approximately £16 per ticket for two tickets per dancer. Any tickets not sold via the school can then be refunded by The Hawth and placed on general sale after an agreed period of time.

Signed _____ (headteacher)

Name _____

Date _____

Please write below if it is essential for you to be on a specific performance date or if you will require any additional support on the day and DanceHub will try their best to accommodate this.
